

OPAL Term 3 Assembly

Playtimes

Our playtimes have been **awesome!**

The playing has been fantastic – great imagination, teamwork, challenge, adventures and laughter!

Responsibility

- The tidying-up has been fantastic in KS2 – everyone joins in.
- In KS1 we need to be better at bringing the bikes and scooters in from the track and make sure we roll the tyres back up the hill when the whistle goes.
- Opal Squad – well done for doing checks at the end of lunchtime.

Opal Squad

- Here are all of our Opal Squad members.
- They all wear badges.
- Let them know if you see any issues with equipment or if you need some help with a piece of equipment.
- It is **everyone's** responsibility to tidy up, not just the Opal Squad.

Opal Squad	
Rabbits	Orianna Marcus Arthur Elodie
Hedgehogs	Eira George Nat Maizie

Sand and gravel

- Don't put it near your face.
- The sand/gravel must remain in the tyres/pit.
- All sand and gravel must be covered at the end of playtimes, with the toys inside.

Buckets and crates

- Do not kick or throw them – we have had some broken already.
- If they feel strong enough, you can stand on them.
- If you put them on your head, make sure the handle is not around your neck.
- If you see a crack in the plastic, let an adult/the Opal Squad know.

Cable reels

- You can roll them, sit on them and stand on them.
- If you feel a sharp edge on one, let an adult/the Opal Squad know.

The Play Team

- The Play Team all wear the same jumpers and should be easy to spot at lunchtimes.
- They help make your playtimes safer and are there to help you when you need.
