

Subject Leader's Self-Evaluation Report

Subject: PE

Leader: Jan Douglas

Date: April 2016

Strengths

Impact of Sports Premium funding:

- Teachers continue to improve skills and understanding in core areas
- All staff confidently delivering Real PE
- All pupils using assessment wheel to assess progress
- Children's physical literacy at KS1 continues to improve
- Children's understanding of tactics and application of skills in games at KS2 continues to improve
- Opportunities for less engaged to participate in Sports partnership course at Bath University – developing skills in new sports
- Continued increased opportunities for AGAT has ensured challenge for more able. Developing leadership skills as well as physical development – Young Officials Course / Team Talent / Young Leader / Bath University
- Clubs – high quality and varied provision. Clubs 2 x week from U& U have greatly increased participation – see registers – particularly in Y1/2/3/4
- Competition –
 - Inter school matches 2 x term in netball and football
 - School Games level 2 participation in netball - winners
 - School Games level 2 participation in rugby – 3rd overall
 - School Games level 2 participation in football – 2nd in pool
 - Intra School competition – house matches in netball / rugby / cricket
 - KS1 and KS2 sports days
 - Kwik cricket festival

Areas for development
