Dear Applicant,

Thank you for showing an interest in the Y5/Y6 teaching post at Monkton Park Primary School for September 2019.

This is a permanent post and the successful applicant will be working closely with a parallel Y5/Y6 classroom teacher and other teachers in KS2.

We are seeking to appoint a flexible, enthusiastic and energetic main-pay scale teacher, who shares our passion for children's learning and can identify with the vision and values of our school. They will need to be committed to both learning outside the classroom and a wider curriculum to develop children's skills. A full induction and ongoing support and professional learning will be offered to the successful candidates.

NQT's who fully meet the person specification are welcome to apply.

Monkton Park Primary School is celebrating its 50th year this year and is in a great location to make excellent use of local resources to inspire learning. Our children are a credit to the school, and the staff and Governors are committed to achieving the best possible education for all our pupils.

Please submit the standard application form with a supporting statement of no more than 2 sides of A4 paper. The closing date is 13th March with shortlisting later the same week. Interviews will take place on Thursday 21st March.

We look forward to welcoming you for an informal visit to Monkton Park and should you require any additional information then please contact the school.

Yours faithfully,

A handwritten signature in black ink that reads "S Rafferty".

Mr Steve Rafferty
Head Teacher
